Subject: new report for NBH web site

Hi Rose - I'll be dropping off a CD this afternoon for posting on the NBH web site. It will go under "Technical Documents" and grouped within the "Lower Harbor CAD cell" documents. The title is "Evaluation of the Impact of Dredging and CAD Cell Disposal on Air Quality" (i.e., same as the title on the CD except for the word "Final").

If possible we'd like to get this posted before the end of this week.

Thanks - Dave
